# BARBER

The Barber program is an evening-only program. Classes are offered on a year-round basis in order to meet the state requirement for completion. Training during the first semester is an introduction to all subject areas and is achieved through theory and a lab setting. Intermediate and advanced training is the combination of theory pertaining to barbering and lab training which is achieved through a clinical set up with students working on patrons and/or mannequins.

Colorado State Agency requires a minimum of 50 credit hours and/or 1500 clock hours. Students will be prepared for the Colorado State Licensing Exam and upon meeting school requirements for receiving a certificate, may be eligible to register for the State Licensing Exam. Courses are taught concurrently, not individually, through competency-based, theory and practical instruction. Students must complete both theory and practical coursework with a grade of "C" or better certifying as ready for state licensure testing. 100 clock hours are required for outside of school practice of competencies. Courses are evaluated by examination and demonstration. Dress code is required.

#### The following certificate may be earned:

Barber

**Certificate length:** 4 semesters

#### Class hours

M, T, W, Th: 5:00 pm-10:00 pm
